THE BUTTERMARKET
SHREWSBURY
1835

“ Thank you so much for making it all so seamless.
The day wouldn't have been the same without you. ”

{ STEP INTO THE BUTTERMARKE T }

Step into The Buttermarket in Shrewsbury, one of Shropshire's historical jewels, and experience a day of stunning design and flawless service unmatched anywhere else in Shropshire.

THE PERFECT SETTING

Since 1835, The Buttermarket has been a proud landmark in Shrewsbury. With the imposing neo-classical columns at the entrance, the original arched cellars, the rare 12-foot Wurlitzer Organ, and the £2 million refurbishment it has recently undergone, it's no wonder our stunning venue has become the setting for umpteen sell-out events since its doors opened in 2012.

The Buttermarket's affiliation with award-winning restaurant The Peach Tree means access to an ever-changing menu for delicious all-day dining to suit your tastes and budget.

“

What a stunning venue, so unique, and we're so excited to have our special day there!

”

YOUR WEDDING QUESTIONS ANSWERED

Can I hold my wedding ceremony, as well as the reception, at The Buttermarket?

Yes, you can! We are fully licensed to hold marriages in both The Cellars and The Main Arena.

Do you organise the ceremony as well?

We organise the ceremony room, the seating arrangement, the archway (if you want one), and the required furniture for signing of the register and couple's interview room. However, you will need to book and arrange the registrar and the actual ceremony as a couple.

When you are ready to arrange, we have a lovely list of fees and contact details which will be in your Welcome Pack.

Can we decorate The Buttermarket?

Absolutely! Being a Grade II listed building, we do, of course, have some strict guidelines that we have to follow; however, anything is possible when you put your mind to it! If you have specific ideas, we're happy to hear them and see what we can do.

Who deals with the decorating?

Your event organiser will be on hand to help, or a member of staff from the venue where you're hosting your wedding. We see it very much as a team effort to make your day exactly how you visualise it. You won't be able to decorate without a member of staff there, for health and safety reasons.

Can my photographer and Videographer take photos and film during the ceremony?

Absolutely! However, during the ceremony, different registrars have different rules. Please be sure to discuss this with your registrar.

Who will be looking after my wedding on the day?

Your dedicated wedding coordinator will be there. You will not be passed from staff member to staff member. There will be a maximum of two different people who will be involved in the whole process from start to finish.

What is the booking procedure?

Once we've had an initial conversation with you, we will discuss some dates. Once a date is agreed, a contract will be drawn up specific to your wedding day and requirements. A deposit will then be taken, which will be deducted from your final bill. Once the contract is signed and the deposit is paid, your date will be set in stone! Unfortunately, no dates can be held until the deposit and contract is complete.

OUR OTHER VENUES

How late do you stay open?

4am! You'll have the space available, exclusively to you, until midnight. You will, of course, have a private space, be it the balcony area or a VIP room, for as long as you can stay partying!

Can we have a menu and wine tasting?

Absolutely! We are hugely passionate about food and wine, and want you to be excited and proud of what's being served on your special day. You'll be invited to The Peach Tree for a private tasting session on a day or evening that's convenient to both you and our fantastic head chef, Chris.

Do you cater for children?

We pride ourselves on being a baby-and-child-friendly group of venues - the same will apply for your wedding day. Up to five highchairs are available to use free of charge, and child-friendly food and drink will, of course, be on the menu.

Can we use our own caterers?

Yes, you can. We understand that people get attached to certain caterers, and we're happy to work with them. There's a vetting process to ensure they uphold our reputation and adhere to health & safety regulations, as well as a charge for the use of our kitchen facilities.

Can you recommend any hotels?

Yes, we can! We have a rather long and extensive spreadsheet of all the hotels in the area, with contact details and prices. Once you've booked, this will be included in your welcome pack.

Where is the closest parking to The Buttermarket?

There's a large NCP directly behind us, which is very convenient. It's £4.20 for 24 hours, change only (perhaps worth popping that info in your invitations).

Do you have an outdoor space?

We have two lovely outdoor terraces, one outside the Cellars with our famous glowing sofas, and another large, decked terrace outside the main arena.

Can people smoke in your outdoor area?

Yes, you're able to smoke in the outdoor areas.

Do you accept credit and debit cards at the bar?

Yes we do. We also have a cash machine on the premises.

Can I bring my own DJ or band?

You can indeed! Again, we're always excited to meet new, talented people. We'll need to have a conversation with them about their technical requirements, what they can and can't bring equipment-wise, and what time they should arrive.

What music can I have and how will it be played?

You can play anything you like - it will all be covered under our PRS license. You can provide a CD, a USB, an iPod / mp3 player, or a laptop! We will ensure the music is playing at an ambient level before your guests arrive.
